Interesting. I'm curious as to what we should make of this quick development, if anything.

Is anyone from Region 10 planning on attending or speaking at this hearing? What about sending a letter?

I'm still chasing leads in HQ on the status and specifics of EPA's plans to implement RPAs.

Subject: DEQ seeks public comment on a petition to begin rulemaking to regulate pesticide use

To: jeffrey.lockwood@noaa.gov

DEQ seeks public comment on a petition to initiate rulemaking submitted to the Oregon Environmental Quality Commission by Northwest Environmental Advocates. The petition requests that DEQ initiate rulemaking to adopt pesticide use regulations into Oregon's water quality standards rules and take other actions. DEQ will hold a public hearing in Portland on Sept. 12, 2012.

Comments are due by 6 p.m., Sept. 18, 2012.

For more information, see the public notice.
